“The poor woman had a very serious heart complaint and was lying on a worn old mattress on the floor. The family was gathered around her and I spoke to them about salvation in Jesus Christ.

Then I read some words from the Bible.

Their faces radiated a sincere and **almost childlike faith**. I knelt down by the sick woman and laid hands on her while I quoted the words of Christ, ‘These signs shall follow those who believe – they shall lay hands on the sick and they shall be healed.’ (Mark 16:18) Immediately after the prayer she got up and was completely healed!”

Preuve incontestable de la fin des temps  
Signe certain du retour proche du Messie

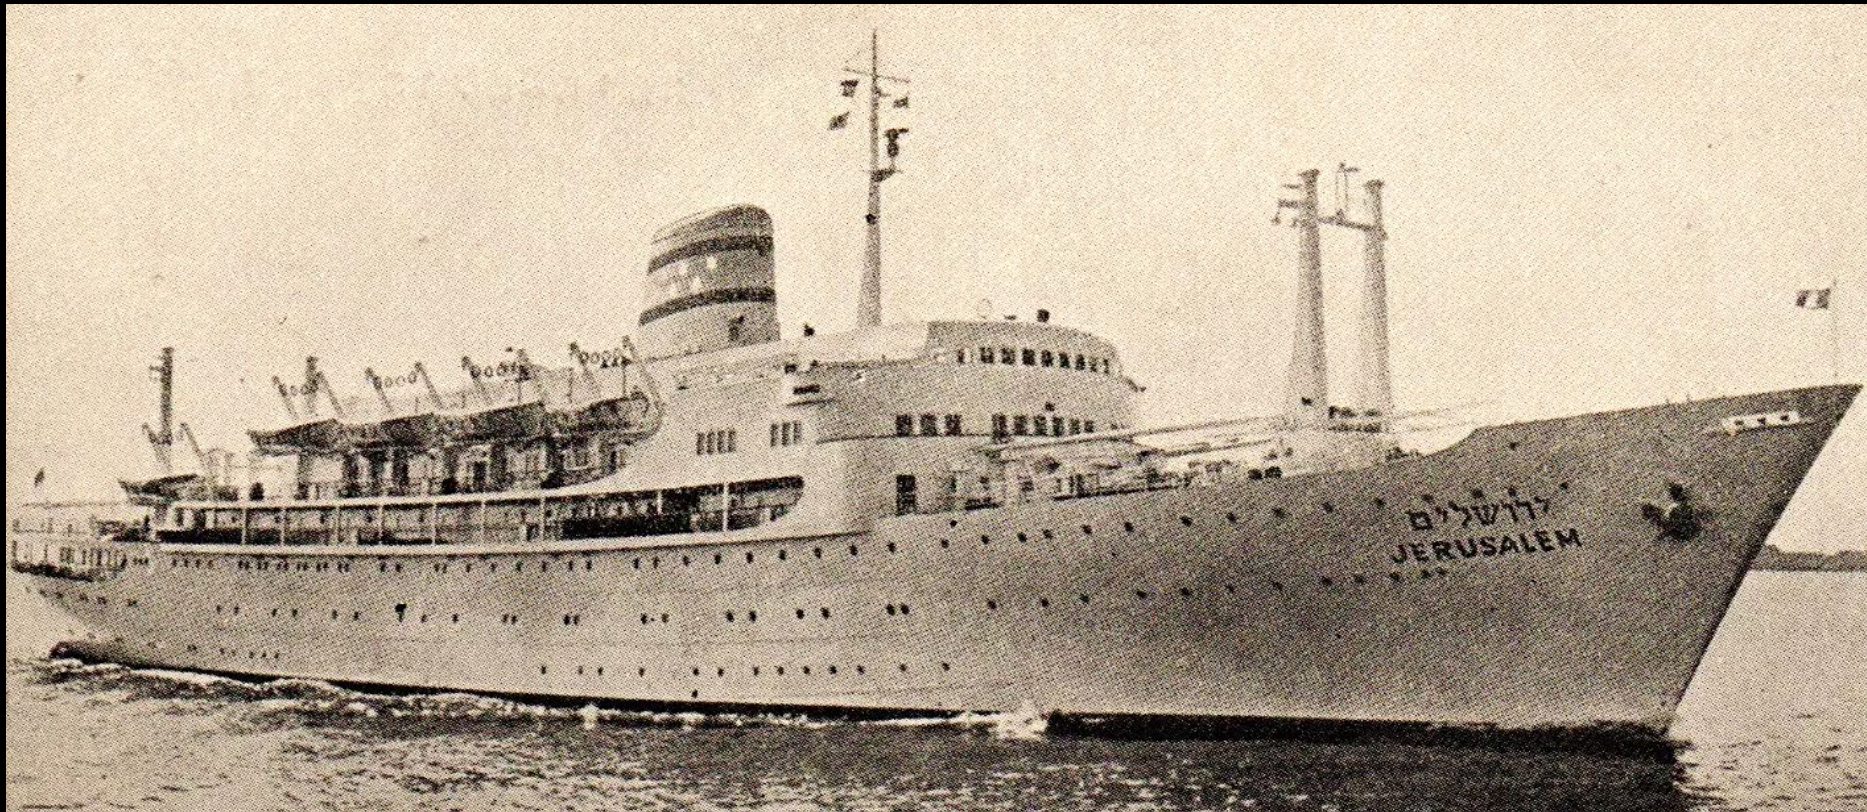

“I have had the privilege to visit Israel about thirty times over the years ...

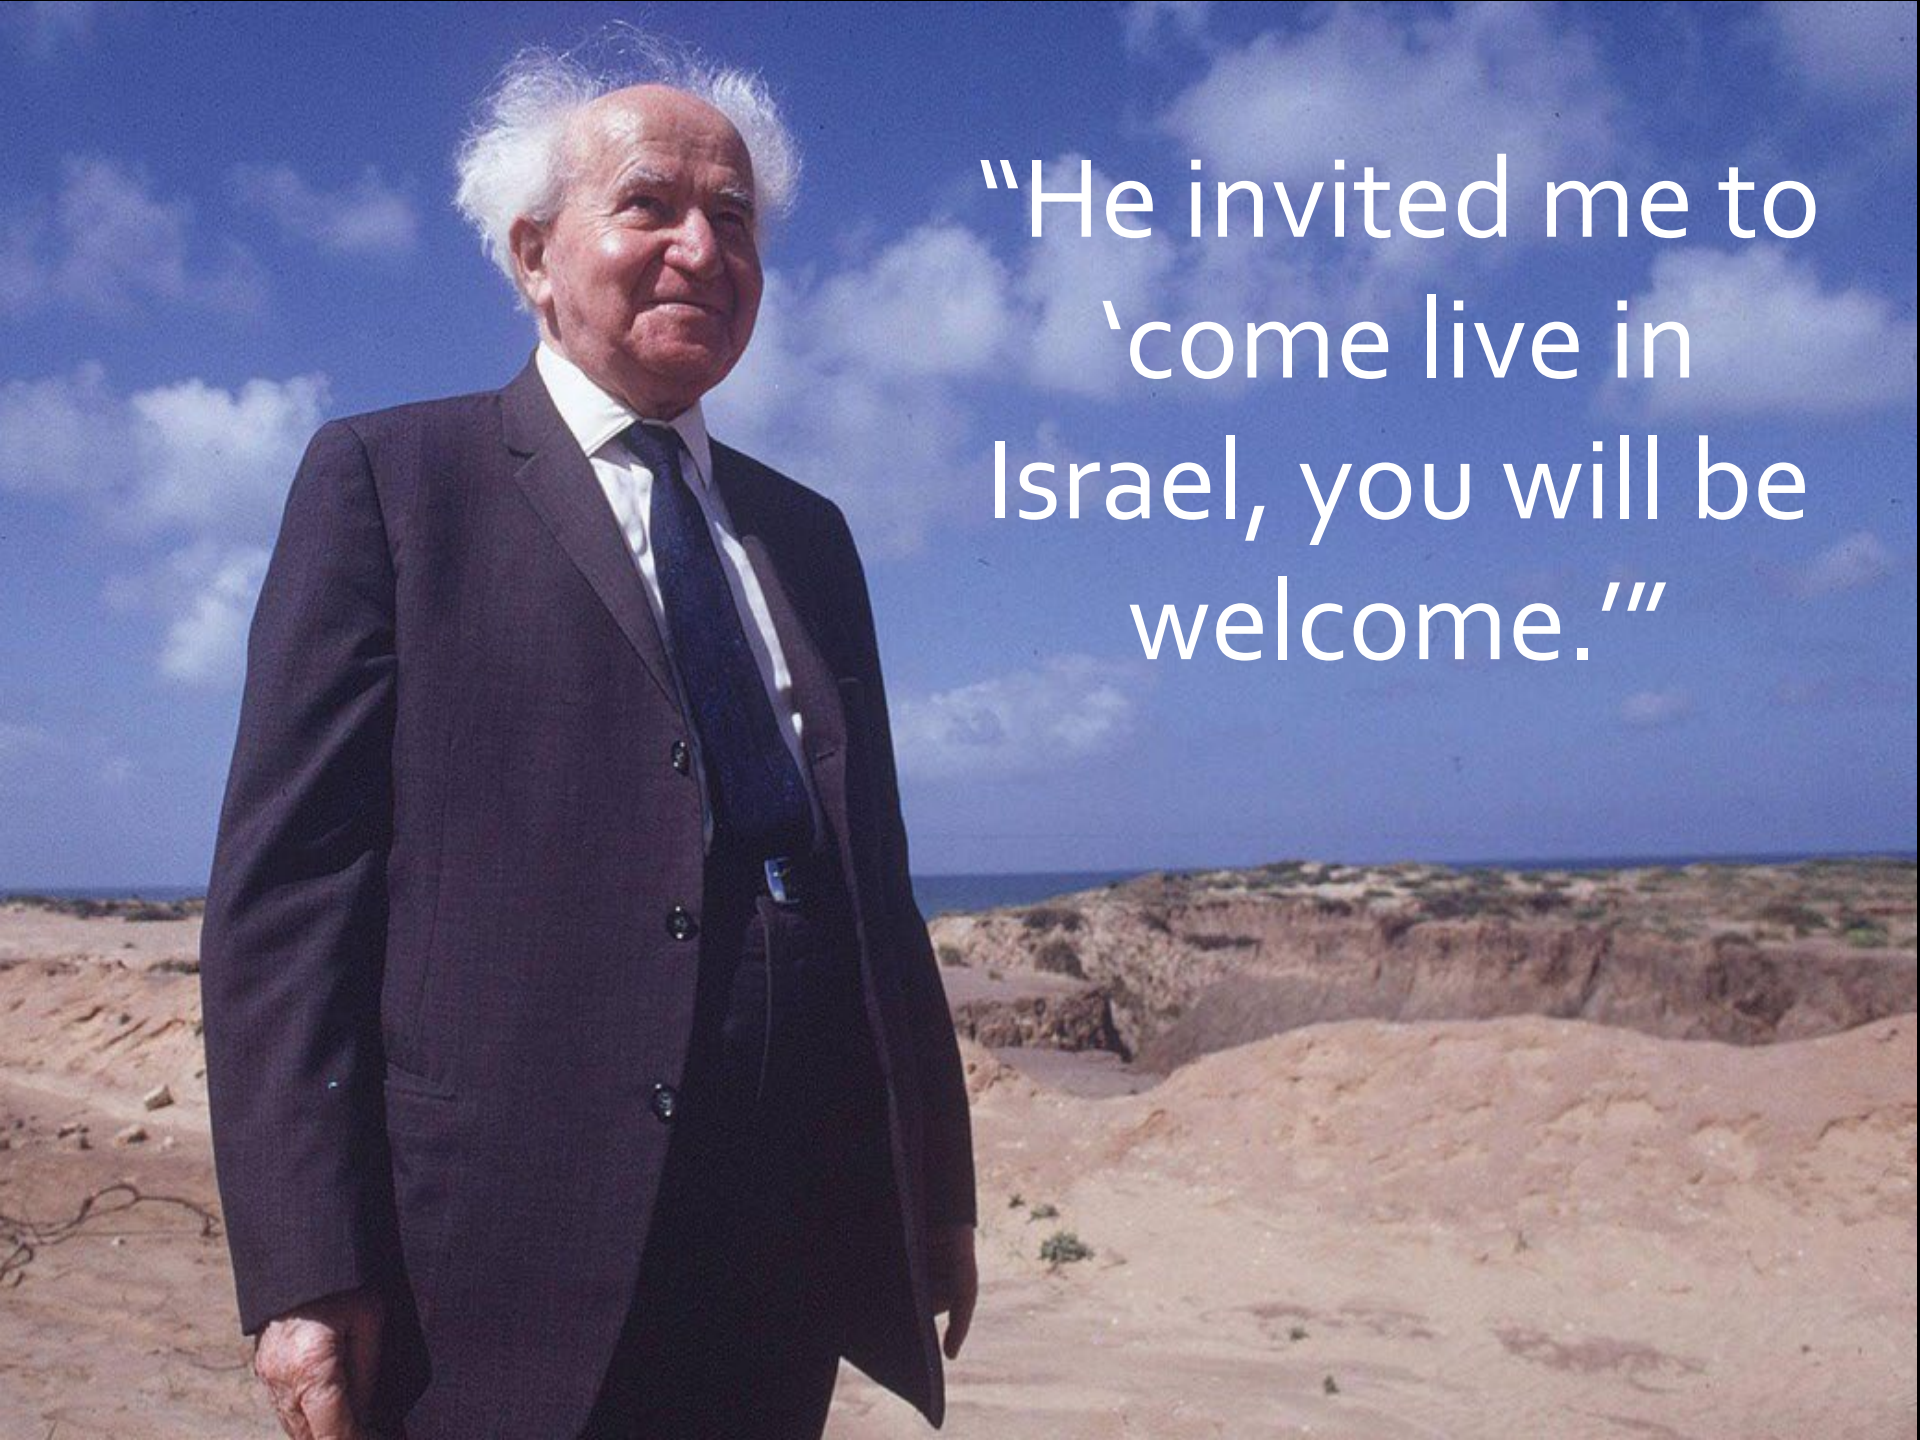

I have been closely watching all the events since the war of independence of 1948 and studied Biblical prophetic texts concerning the people of Israel.”

Clement Le Cossec, *Israel: Key Events of the Past and Future*, Bible Truths series #8, <https://clement-le-cossec.org/>

“All that is happening in Israel and around Israel represents a serious warning to remind us that **JESUS the MESSIAH** will return very soon, **firstly to take away his disciples before the great and dreadful catastrophe**, and [then] to establish with his disciples and the chosen ones of Israel his reign of peace.”

“While on a journey to Israel, aboard a cruise liner **JERUSALEM**, I had the opportunity to speak with Prime Minister Ben Gurion who was on board.”

## Himmler Decree on “Combating the Gypsy Plague”

During the first years of the Nazi regime, many policies that targeted **Romani people** also impacted non-Romani people deemed to be living a “Gypsy-like” existence. Laws and decrees affecting Roma and Sinti reflected widespread anti-Romani racial prejudices. They targeted behaviors and lifestyles that authorities considered incompatible with Nazi visions for an orderly society.

In December 1938, SS Leader and German Police Chief **Heinrich Himmler** issued another decree on Roma and Sinti. It stated that the regime’s anti-Romani policies should be treated primarily as a matter of race. This decree marked an important shift in Nazi policies toward Roma

“But we do not want you to be uninformed, brothers, about those who are asleep, that you may not grieve as others do who have no hope.

For since we believe that Jesus died and rose again, even so, through Jesus, God will bring with Him those who have fallen asleep.”

# Epicurus (341-270 B.C.)

“Death does not concern us, because as long as we exist, death is not here. And when it does come, we no longer exist.”

“For this we declare to you by a word from the Lord, that we who are alive, who are left until the coming of the Lord, will not precede those who have fallen asleep. For the Lord Himself will descend from heaven with a cry of command, with the voice of an archangel, and with the sound of the trumpet of God. And the dead in Christ will rise first. Then we who are alive, who are left, will be caught up together with them in the clouds to meet the Lord in the air, and so we will always be with the Lord. Therefore encourage one another with these words.”

**1 Thessalonians 4:15-18**

“Behold! I tell you a mystery. We shall not all sleep, but we shall all be changed, in a moment, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, and the dead will be raised imperishable, and we shall be changed.”
